**Attention Town of Arpin Residents**

The Arpin Town board is asking residents to come forward to form a committee to put plans together for different options in regards to building a new building or updating the one we have. Once a committee is formed you will meet with the town board to discuss the guidelines with the town board of what is needed. Monthly meetings for the town board is second Tuesday of the month. If your interested please contact Larry Shupe (715)459-4447
